

A New Chaplain At Codorus State Park!

Welcome to 2020. I need your help...

We are about halfway between last year's camping season and the coming 2020 season. I love this time of year and am probably one of only a handful of people that are praying for snow (I know it's not normal.) I also know that many people make resolutions to make this new year the best year of service to God. I hope this year, you will grow in your relationship with the Lord and commit to serving Him more than ever before.

For years, you've heard or read about the Chaplain in the park program and the work we've been doing at Codorus State Park. My family and I have served at Codorus State Park for the past four years. Many of you have helped and even served alongside my family and me. I thank you for allowing my family and me to serve the Lord with you.

I am starting a new role this year as the Campground Ministry Coordinator serving alongside the current coordinator, Larry Flood. I look forward to continuing to serve with you in this new position. We are excited about this new opportunity and realize it will change the way I support the Chaplain in the Park program. To that end, I need your help.

As I've said in previous letters, you can join our ministry team to help us engage campers and show them God's love through our actions. This year, **I need your help in finding a new chaplain to serve at Codorus State Park.** The position of the chaplain as you've seen in my previous letters is extremely rewarding and a great opportunity to serve God. I've included links for you to share with a friend who might be interested or for you to get more information about the program for yourself. Please pray that God will encourage someone's heart to serve and for that person's heart to heed the calling on their life.

Please email me (ChaplainAtCodorus@gmail.com) if you have any questions about the program or would like to become more involved as a helper or chaplain throughout Pennsylvania. Let us serve with boldness and confidence because, "I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns." (Phil 1:6, NLT)

God Bless,
Chaplain Jim
